SHELL

SHELL CONTINUES TO EMPLOY SERVICES OF ESL AS GENSET MAINTENANCE SERVICE PROVIDER

Due to high standards of our services, contract with ESL has been renewed for 2010 - 11 through JCI.

JOHNSON CONTROLS

JCI SELECTS ESL AS A GENERATOR MAINTENANCE SERVICES PROVIDER TO SHELL'S 900 RETAIL OUTLETS COUNTRYWIDE

Shell Pakistan has outsourced its Facility Management Services to Johnson Controls Pakistan. The tremendous confidence of Shell on ESL continues as ESL is now supplying spares and maintenance services for more than 900 stations of Shell across the country.

Initially, the annual maintenance contract of Central and Northern region was given to ESL. During this span, ESL has showed its ability to provide quality services to JCI and Shell and was recently awarded the Maintenance contract for Southern region as well.

ESL is actively involved in assuring compliance with the strict HSSE standards of Shell and adopts all necessary steps on preferential basis to propagate the safety culture within the company and its sub-contractors.
